

December 2020

Dear Health Care Associate:

The Family Practice Review and Reunion Committee is planning the next educational conference - The 26th Annual Family Practice Review and Reunion - February 12-14, 2021. Over the years over 250+ physicians, nurses, physician assistants and other medical professionals have attended this conference. With the rise in new Covid cases and other restrictions, the program will be presented completely “**virtual**.” With that being said, we're still offering sponsor participation, but in a virtual kind of way.

\$500.00 - logo featured on website, registration material, during breaks;

\$1,000.00 - short 30-60 minute clip/commercial shown during breaks, name recognition on website, registration material.

There's a possibility that your video could be featured prior to the start of each lecture around 7:55 a.m. on Friday, 6:55 a.m. on Saturday and 6:55 a.m. on Sunday. If that sounds like how you'd like to show your support, then let us know asap.

Your support continues to provide the financial means necessary to present a family practice program engendered with academic excellence within the Dayton metropolitan market. Fees charged are strictly for display purposes. We will be planning our program in compliance with the AOA and AAFP accreditation guidelines to develop a well integrated scientific virtual program.

This event is open to all pharmaceutical and/or other health care industry vendors. Displaying days are Friday, February 12 thru Sunday, February 14, 2021. Your guaranteed participation will be available to those companies returning a completed contract and payment guarantee by February 1, 2021. We will contact you regarding your video and/or logo once that has been determined.

Make checks payable to the FPRR Grandview Hospital Foundation and mailed to
